

Extend the Life of Your Legacy Facility

DLN's End-of-Life Audit Shows You How

- ❓ Is your legacy facility out of date with obsolete components?
- ❓ Equipment running slow or always breaking down?
- ❓ No capital budget available for major upgrades?
- ➔ Don't wait till spare parts are impossible to find and repair is unsupported.
- ➔ Get a clear picture of your facility and learn how to prolong useful life with minor updates.
